## Bleach Symbols

Use any bleach (when needed).

Do not bleach.

Use only non-chlorine bleach (when needed).

## Iron Dry or Steam

Iron - Ironing is needed.

Iron using Low temperature setting.

Iron using High temperature setting.

Do not iron or press with heat.

Iron using Medium temperature setting.

No steam - iron without using steam.

## Dry Clean Normal Cycle

Dryclean

Dryclean using Petroleum solvent only.

Dryclean using any solvent.

Do not dryclean.

Dryclean using any solvent except trichloroethylene.

## Special Dry Clean Instructions

Reduce moisture.

No steam finishing.

Short cycle.

Low heat.
